Principal's Message:

Wow! It is June already! The end of our 2021-22 school year is soon to be here. This is the year we returned back to in-person, full day instruction after the pandemic, and it is quickly coming to a close. It has been a year of teamwork, perseverance, and determination to get through the obstacles we had to overcome together each day. Amidst it all, we grew closer as a learning community. We are very proud of the students who worked hard to make up for lost learning and transitioned seamlessly back into in-

person learning with restorative practices as our guide for conflict resolution. Focusing on kindness and positive behavior toward one another, as well as social emotional learning have been key priorities for us throughout the year. As I reflect back over this school year, it is rewarding to see the many accomplishments we have achieved together. Congratulations to our 5th graders!!! It is always sad to see you leave, but we know you are moving onward & upward toward your future goals. Make your future remarkable! As Dr. Seuss' writes, "Oh the Places you will Go!"

May your summer be full of health, safety, and plenty of fun in the Sun ☺

Warmest Regards, Dr. Rosser
