Principal's Message:

Wow!!!! How can it be May already? Where has the 2021-22 school year gone? With every passing school year, it seems time passes quicker and quicker each year. You can certainly tell by the heightened energy and excitement of the students all around campus that the end of the school year is very near & they are ready for summer break. Let's continue to work hard together to encourage students to maintain good behavior, citizenship and all PAW's expectations right up to the very last day of school. We have many exciting events coming soon over the next several weeks for students and families to enjoy as the end of the school year approaches. As our students work hard to complete all their End of Year testing, let's continue to support & encourage them to put forth their very best effort. We want all students to be able to

participate in our upcoming incentive and reward events. Always remember your PAW's pledge, and the need to be kind sharing your beautiful smile every day, as it is the universal language of kindness.

Best Wishes, Dr. Rosser
