

# Duggan Ground-Breaking

Board of Education Commissioners, School Superintendent David I. Snead, and State Representative Larry Butler (left) were first to break ground at the site of the new Duggan School. Edith Bruno, a 1934 graduate of the original Duggan School, was also on hand to help out. She brought with her a neighbor, Eldwin Valerio, whose three children are looking forward to attending the new school when it opens. An unidentified neighborhood child also assisted.

Next up, Board of Aldermen took their turn at the shovels, then Assistant Superintendents Ann Marie Cullinan and Dr. Paul Sequiera.

More pictures on page 2.
