President Report (Carol)

- 1- Thank you notes from Teachers were read to the PTO. Thank you notes were from Teacher Appreciation week.
- 2- The 31 BAG fundraiser, as of 09/24/13, has about \$5500 in sales. We will need to have another fundraiser later this fall/winter or have a big bigger fundraiser in the spring.
- 3- Scholastic Book Fair- PTO made 5% more this year in profits. We also earned \$340 in books from the amount of sales we had. This year we tried a "Teachers Wish List". It was a SUCCESS! Most teachers were given books from their list or were able to buy books from money donated to the classroom.
- 4- Allison Scully will be handling the COKE Rewards program for the PTO. Please continue to send in your coke codes!
- 5- The BOXTOPS program is going very well for our school. All money that we earn from BOXTOPS goes toward the Maloney General Student fund.
- 6- We have many points in the Labels for Education fund. The PTO is looking into using the points for outside toys.
- 7- Rogue Studios took pictures for the second year in a row. Both picture taking days went very smoothly. Sales are up and every student will receive a class photo whether they ordered pictures or not. Picture re-take day is TBD.
