

Title 1 Parent Involvement Policy

Wilby High School

1. Wilby High School will make available information on:

- ❖ curriculum
- ❖ local and state standards
- ❖ local and state academic assessment tools
- ❖ the requirements of ESSA, Every Student Succeeds Act
- ❖ ways to monitor a child's progress
- ❖ how to work with educators to improve the achievement of their children

2. Community leaders and volunteer groups will be provided information they can use to rally their members in efforts to help children and schools.

3. Wilby High School recognizes that parents have the responsibility to:

- ❖ actively communicate with school staff
- ❖ be aware of rules and regulations of the school

- ❖ take an active role in the child's education by reinforcing at home the skills and knowledge the student has learned at school
utilize opportunities for participation in school activities

4. Wilby High School staff will:

- ❖ have regular two-way meaningful communication with parents through parent-teacher conferences, progress reports, telephone calls and postings on the school website

- ❖ inform parents of school activities through newsletters, websites, e-mail, and other media, including use of the educational access channel, The Observer Newspaper

- ❖ welcome parents/guardians in a friendly manner
- ❖ Engage each student based on his/her unique interests and strengths
- ❖ Create an understanding of the relevancy of education
- ❖ Postsecondary educational and career goals are attainable
- ❖ Provide student with support for academic goal- setting towards career, social, emotional, and physical development.

5. The students, faculty, staff, and administration of Wilby High School:

- ❖ Will continually work cooperatively students, families, the community, and the Board of Education to create a safe and welcoming academic environment which embraces challenges and nurtures diverse talents, interests and learning styles of all the students.
