

## Training

Parents are offered two phases of training:

### Sessions

This 12-sessions to build skills in partnering with schools to improve the education systems.

Parents will be selected for each class with consideration given regarding how their participation will enhance diversity, strength and learning for the group as a whole.

### Who should attend?

Parents, teen parents, grandparents and other adults who wish to improve the lives of children, families and communities.

The training is offered at no cost to parents. Dinner, and Civic Class for ages 6 -13 years old

### Location

All classes are held at:

## Parents Supporting Educational Excellence Overview

**Parents See provides motivated parents, grandparents and guardians with practical strategies for actively engaging with other parents, with educators and with community leaders to address with confidence public policies and civic engagement to improve schools for all children. Participants learn what to expect from schools, how to partner with them, and how to be successful civic leaders on educational issues.**

## PSEE Curriculum

Retreat: Getting started and a course overview

Session 1: What do effective schools look like?

Session 2: What is change?

Session 3: How and why do schools change?

Session 4: What is our educational system?

Session 5: How does your school district function?

Session 6: What is a citizen's/parent's role in how the school district functions?

Session 7: Why do some students succeed in school while others do not?

Session 8: What is a parent's role in children's learning and school environment?

Session 9: When are improvements in school warranted?

Session 10: What are key education policies?

Session 11: How do parents lead a school?

Session 12: How does understanding and a civic tool kit lead to effective parent leadership in education?
