

This Parent, Student and Teacher Compact outlines the responsibilities expected of all of us. Make sure you and your child review the compact together.

We believe that student achievement will improve as a result of our combined efforts to support this compact. This is a three-way partnership. It is imperative that each person assume his or her responsibilities.

Rotella Interdistrict Magnet School

What is a Family-School Compact?

A Family-School Compact for Achievement is a voluntary agreement co-developed by parents, students and teachers. It describes what actions parents, school staff and students will take to share mutual responsibility for improving student achievement.

Effective Compacts:

- ◆ Begin with standards
- ◆ Focus on student learning
- ◆ Respond to school data
- ◆ Define everyone's responsibilities
- ◆ Count on us to believe in it and use it

Mission Statement:

The mission of Rotella Interdistrict Magnet School is to provide all students with a challenging, comprehensive academic program infused with instruction that incorporates dance, music, theater and the visual arts. This arts-integrated approach to education is based on philosophy that, when the skills of the artist creative problem-solving and self expression are applied to learning in the academic disciplines, student achievement is maximized. As students experience the full range of artistic expression that flows from various world cultures, they will gain a deeper appreciation for the diversity of the human family.
