### Purpose of Meeting – Instructional Focus:

Monthly Meeting

Members voted for three community members: Jennifer Putetti , Selim Noujaim and Jim Lawlor.

Mrs. Wilson presented the Vision and mission of our school. She asked for thoughts and comments from the parents. Members discussed and gave their feedback on the mission’s statement. Mrs. Baranowski took notes on the changes. Members approved the statements. The suggestions will be brought to the School Climate Committee.

An invitation was extended to parents to participate in a committee that will work with the creation of the School Compact. Thursday November 13th at 4:00 the committee will meet for the first time together, then there will be two groups that will work on the compact for two different grade levels. Board of Education website is a good resource for both the School Governance and the Compact Committee.

It was discussed to meet the first Thursday of the month at 4:00 o’clock. Next meeting December 4th at 4:00, snow date will be the following Thursday.

The school tour will be at the beginning of the next meeting. After that we will draft what we want to say, who we will address it to, and prioritize the list.
