

Food Service Charging Policy

The goal of the food service program is to provide students with nutritious and healthy foods through the districts food services program that will enhance learning. The school nutrition program is an essential part of the education system and by providing good tasting, nutritious meals in pleasant surroundings; we are helping to teach students the value of good nutrition.

The Department of Food Service, through its participation in Community Eligibility Provision, provides that all Waterbury students are eligible for free meals, and only pay for snacks or additional meals, which cannot be charged.
