Deputy Superintendent of Schools

October 17, 2017

## A Message from the Deputy Superintendent

I would like to thank all of the members of the Waterbury Public School System for welcoming me into your community. To be clear, Mayor Neil O'Leary and the members of the Board of Education have requested I join the team and provide the necessary leadership to the school system in a transitional manner between the outgoing and incoming superintendents: a role I am confident we can accomplish. I am delighted to be here and look forward to working alongside all of you and serving our students.

As such, there are three (3) initial goals that we have established:

1. Ensuring stability, continuity and a path toward progress in all aspects of the District's programs and operations through focused leadership;
2. Continuing efforts to improve students' academic outcomes and learning opportunities while providing a safe and orderly environment;
3. Keeping our parents, business and community partners informed of our activities and progress.

Please accept my best wishes for a great remainder of the school year. I thank you for your continued interest and support of the Waterbury Public Schools as we continue to work together to ensure our schools are high performing institutions preparing our students for success in life.

Sincerely,

Robert Henry  
Deputy Superintendent of Schools
