ARTICLE I INTRODUCTION

¶1. **Section 1.** This agreement is negotiated in accordance with the provisions of Connecticut General Statutes 10-153a through 10-153g, as amended, between the Waterbury Board of Education (hereinafter referred to as the “Board”) and the School Administrators of Waterbury, Local No. 80, AFSA, AFL-CIO (hereinafter referred to as “SAW”).

¶2. **Section 2.** This Agreement shall not limit or contravene the authority of the Board as provided by state and federal law and the Charter of the City. No provision of this Agreement shall have any retroactive effect or be in any way effective or binding prior to the effective date of this Agreement. All power and authority given to the Board by State Statute and/or City Charter shall be fully reserved to the Board, except in those areas and to the extent as such are in conflict with a specific provision of this Agreement.

¶3. **Section 3.** In addition to the rights conferred upon the Board pursuant to Conn. Gen. Stat. § 10-220, the parties recognize that the Board retains all rights it had prior to this Agreement, except as such rights whether exercised or not, have been specifically relinquished or abridged in this Agreement. Such rights shall include, but are not limited to, the following:

¶4. (a) the right to establish curriculum;

¶5. (b) the right to determine whether or not bargaining unit positions are to be created;

¶6. (c) the right to determine whether or not bargaining unit positions are to be filled;

¶7. (d) the right to prescribe and enforce reasonable work rules, establish and/or change the pay period for employees, and regulations for the maintenance of discipline and for the performance of work in accordance with the requirements of the Board, provided such rules and regulations are made known in a reasonable manner to the employees affected by them. Prior to the promulgation of new or modified rules and regulations, the Board shall meet with the Union to discuss them and shall give due consideration to the Union’s recommendations concerning same. The Board shall bargain over the impact, if any, of the Board’s decision;

¶8. (e) the right to assign work to employees (including the right to assign incidental duties that may not be specifically enumerated in an employee’s job specification). The Board shall bargain over the impact, if any, of the Board’s decision;

¶9. (f) the right to create job descriptions and revise existing job descriptions as deemed necessary, with such procedures for the applicable rate of pay as are required by this Agreement. The Board shall bargain over the impact, if any, of the Board’s decision;

¶10. (g) the right to establish or continue policies, practices and procedures for the conduct of Board business and, from time-to-time, to change or abolish such policies, practices, or procedures, subject to the Board’s obligation to bargain over the impact, if any;

- ¶11. (h) the right to lay off or otherwise relieve employees from duty for lack of work or other legitimate reasons, subject to the provisions of this Agreement;
- ¶12. (i) the right to discontinue services, positions, operations or programs in whole or in part, subject to the provisions of this Agreement.
- ¶13. In addition, the Board specifically reserves the right to meet at times beyond the normal work day of bargaining unit members, to discuss and analyze concerns of the Board in connection with the Board's obligations to direct and control the public school system of the City and in connection with administrative and managerial concerns which the Board and S.A.W. mutually share.
- ¶14. **Section 4.** These rights, responsibilities, and prerogatives are not subject to delegation in whole or in part. Such rights may not be subject to review or determination in any grievance or arbitration proceeding, except to the extent that they may be exercised so as to conflict with or abridge a provision of this Agreement.
- ¶15. **Section 5.** In all matters wherein the exercise of judgment or discretion is called for on the part of the Board (as for example only: the assignment, transfer or promotion of administrators, the numbers, categories or priorities of specialists to be employed) the decision of the Board shall be final and binding if made in good faith except where some other standard is set forth in this Agreement. The term "good faith" shall mean that the decision of the Board was not arbitrary, not capricious, and not without a rational basis in fact.
- ¶16. **Section 6. Definitions**
- ¶17. The following definitions are applicable to this Agreement, unless the context of the usage in any given article or section indicates otherwise:
- ¶18. (a) The term "parties" shall mean the Board and S.A.W.
- ¶19. (b) The term "employee" shall include those certified professionals, administrators, or supervisors who are included in the bargaining unit described in Article II, Section 1 hereof;
- ¶20. (c) The terms "his/her," "him/her," "he/she," and "himself/herself" are used for purposes of gender neutrality;
- ¶21. (d) For the purpose of this Agreement, the phrase "work year" shall mean (1) the period commencing on July 1st of a given calendar year and continuing through the next succeeding June 30th, including not more than two hundred and twenty four (224) working days, for twelve-month administrators; and (2) not more than two hundred and eight (208) working days, for ten-month administrators. The seven (7) business days before the first (1st) day of professional development for returning teachers shall be mandatory work days for all bargaining unit members. In addition, the seven (7) business days after the last day for students shall be mandatory work days for all bargaining unit members unless working

said days would extend beyond June 30th or, unless working said days would be in derogation of the maximum number of work days provided for in this Agreement.

- ¶22. (e) For the purpose of this Agreement, a week shall be five (5) business days;
- ¶23. (f) As used in this Agreement, the term “in pay status” shall be defined to include the following situation(s): an employee who is receiving compensation (e.g. wages or vacation pay or paid sick leave or other paid leave) from the Board;
- ¶24. (g) The term “Administrator Seniority” shall mean the term of service rendered by a bargaining unit employee in any and all present or past positions of the administrators’ bargaining unit;
- ¶25. (h) The term “Lateral Transfer” shall mean that procedure of movement within the administrators’ unit as may be exercised by the Board in lieu of “open promotional examinations.” Lateral transfers shall be permitted only within the same salary schedule classification. Administrators shall not move from one salary schedule classification to another by means of lateral transfer.
- ¶26. (i) The term “promotion” is herein defined as an appointment to a position of greater responsibility and/or higher status in the organizational structure of the Waterbury School System, be it express or implied. If there is a dispute under this definition then it shall be determined by the maximum salary of the position in question.

ARTICLE II RECOGNITION AND DURATION

- ¶27. **Section 1.** Subject to, and in accordance with, the provisions of Sections 10-153a through 10-153g, as amended, the Board recognizes S.A.W. for purposes of professional negotiations as the exclusive representative of all persons employed by the Waterbury Board in positions requiring an intermediate administrator or supervisor certificate or the equivalent thereof, and whose administrative or supervisory duties equal at least fifty percent of the assigned time of such employees.
- ¶28. **Section 2.** During the term of this Agreement there shall be no strike, slowdown, suspension or stoppage of work, or picketing in any part of the Board’s or City’s operations by any employee or employees covered by this Agreement. Remedies shall be limited to those provided for, and available under, the Teacher Negotiating Act, as amended.
- ¶29. **Section 3.** The parties agree to negotiate in good faith to secure a Successor Agreement in accordance with the provisions of the Teacher Negotiating Act, as amended.
- ¶30. **Section 4.** This Agreement shall be effective and binding upon the parties as of July 1, 2021; unless a different effective date is prescribed in this Agreement; and this Agreement

shall remain in full force and effect until June 30, 2024.

- ¶31. **Section 5.** Prior to any significant changes in schedule or working conditions the Superintendent or his/her designee will discuss such changes with S.A.W. and negotiate over the impact of such changes, if any. Nothing in this section shall be interpreted to broaden or narrow the parties' rights or obligations pursuant to Connecticut General Statutes 10-153. Notwithstanding this provision, the parties hereto acknowledge that the legislative mandates pursuant to Connecticut General Section 10-66q regarding the implementation of regionalized school calendars, may impact and/or alter the anticipated schedules or calendars pursuant to this Agreement. As such, during this mandatory transition, the Parties agree to accommodate any scheduling adjustments affecting the application of the terms set forth in this Agreement.

ARTICLE III DUES DEDUCTION

- ¶32. **Section 1.** In accordance with the authorization prescribed by Section 3, hereof, the Board agrees to deduct from administrators' salaries, dues for the S.A.W., C.E.A., N.E.A. and A.F.S.A., ESPAC, and any other mutually agreed upon professional organization. The administrator shall individually and voluntarily authorize the Board to deduct such dues and agency fees and transmit all such monies to S.A.W.
- ¶33. **Section 2.** Each of the associations named in Section 1 above shall certify to the Board, through S.A.W., in writing, the current rate of its membership dues. Any association which shall change the rate of its membership dues or service fees shall so notify the Board, via written notice from S.A.W., thirty (30) days prior to the effective date of the change of amount to be deducted from administrators' salaries.
- ¶34. **Section 3.** Each administrator who desires to authorize such deductions as prescribed by Section 1 and/or Section 2 hereof, shall file with S.A.W. for the transmittal to the Finance Office a signed and dated "Dues Authorization Card" containing the following: name and address of administrator; name(s) of the organization(s) for which dues are to be deducted; a statement authorizing the Board to deduct from his/her earnings and remit to the Treasurer of S.A.W. an amount of money equal to the dues required for membership in the organization(s) so specified; a waiver of all right(s) and claim(s) against the Board and the City of Waterbury, and the officers and agents thereof for monies deducted and remitted in accordance with such authorization; and an agreement that such deductions and remittances shall continue as so authorized for the balance of the school year and succeeding years unless and until such administrator notifies the Board, in writing, of his/her desire to discontinue or to change such authorization.
- ¶35. **Section 3(a).** S.A.W. agrees to defend and hold the Board harmless as a result of any action the Board is required to take as a result of any written notice given it by S.A.W. per the provisions regarding withholding of dues.
- ¶36. **Section 3(b).** Administrators who elect to pay in one (1) lump sum must do so by July 1 of each school year. If payment is not made by that date then an automatic process of

payroll deduction for either membership dues and service fee shall go into effect with those appropriate amounts to be transmitted to S.A.W.

- ¶37. **Section 4.** No later than July 15th of each year, the Board shall provide S.A.W. with a list of those employees who have authorized dues deductions. Monthly thereafter, the Board shall provide S.A.W. with such lists, noting thereon any additions to, or deletions from said list.
- ¶38. **Section 5.** Administrators shall be eligible to participate in the City's Deferred Compensation Plan.
- ¶39. **Section 6. Deductions.** The Board agrees to deduct from the paycheck of each employee who has signed an authorization payroll deduction card a sum certified in proper form in writing by the Local Secretary or other authorized official of the Union within the range of amounts set forth on said card, which are Union dues. The Union will notify the Board of changes in union dues at least 30 days prior to the effective date of the change. The Board will implement said change in the pay period following the expiration of the 30 days' notice. The Union agrees to defend and hold the Board harmless as a result of any action the Board is required to take as a result of this provision.
- ¶40. **Section 6(a).** These deductions will be made in accordance with the pay cycle and payment will be remitted to the Union in accordance with the pay cycle.
- ¶41. **Section 6(b).** In the event that an employee receives no pay on the payday on which Union dues are scheduled to be made, arrearages shall be collected in the following week unless the Union and the Board agree to an alternative repayment schedule.
- ¶42. **Section 6(c).** The Board agrees to continue to require payroll deductions and to permit certain voluntary payroll deductions consistent with past practice and the terms of this Agreement. The schedule of such deductions shall be established and modified by the Board, from time to time, in accordance with the Board of Education/City of Waterbury's HRIS system and applicable law.
- ¶43. Any other deductions shall be made in accordance with a method agreed upon by the affected administrators and the Board.

ARTICLE IV SALARIES

- ¶44. **Section 1.** Salaries for all employees employed in positions represented by S.A.W. and covered by this bargaining unit are set forth in Appendix A attached hereto and made a part hereof. In addition, the work year for each bargaining unit position is listed in Section 2 of Article V hereof.
- ¶45. **Section 2.** On October 1st of each school year, if any K-5 Principal's school has more than 550 students, s/he shall be entitled to a stipend in the amount of \$3,000, to be paid in two installments through regularly schedule payrolls in January (\$1,500) and in June (\$1,500).

In order to be eligible for payment of this stipend or any portion thereof, the Principal must be employed and in active status at the time payment is made

- ¶46. **Section 3.** Each employee shall have his/her total annual salary including, in addition to his/her basic annual salary prescribed by Schedule A, divided into twenty-six (26) equal payments and payable to him/her in twenty-six (26) equal installments commencing with the first paycheck of July and on bi-weekly basis thereafter during the term of this Agreement or until the employee's services are terminated, whichever event first occurs.
- ¶47. **Section 4(a).** Newly appointed members of the S.A.W. bargaining unit shall be placed on the lowest step of the salary scale in the respective appropriate schedule of salaries, unless the Board, upon recommendation of the Superintendent, so determines that a higher step is warranted for newly appointed members with certified experience. All such exceptions will be forwarded to S.A.W. for informational purposes only and shall not be subject to the grievance procedure.
- ¶48. **Section 4(b).** Any S.A.W. member promoted to a higher position or classification within the bargaining unit shall be placed at a step level which has a salary immediately higher than his/her current salary plus one additional step in the new position unless the Board, upon recommendation of the Superintendent so determines that a higher step is warranted due to circumstances of consideration. All such exceptions will be forwarded to S.A.W. for informational purposes only and shall not be subject to the grievance procedure.
- ¶49. **Section 4(c).** For any promotion there will be a ten (10) month (excluding July and August) probationary period from the effective date of the appointment. If performance is not satisfactory, Article VII, Section 6 (b) and (c) shall apply.
- ¶50. **Section 4(d).** In years in which salary advancement is given, for purposes of advancement on the salary scale, any administrator serving in a S.A.W. position as of January 1 of a given year shall move to the next highest step on the salary schedule for the following July 1.
- ¶51. **Section 5.** All paychecks will be issued by direct deposit to an institution of the S.A.W. member's choice.

ARTICLE V WORK YEAR, HOURS OF WORK AND SCHOOL HOURS

- ¶52. **Section 1(a). Hours of Work**
- ¶53. The following guidelines represent the Board policy, under normal professional-academic conditions, relative to the work year, hours of work and the number of hours that school is in session for the children. Since S.A.W. represents professionals of the highest caliber, it recognizes that the guidelines are just that, guidelines only, and S.A.W. and the individual employees understand and agree that the professional requirements and the interest of the

students, buildings and program which they supervise and the professional goals and programs of the Board and of S.A.W. members demand a flexible interpretation and implementation of these guidelines. The agreed working motto of the Board and of S.A.W. is “Professional First”. Thus clock watching either by the Board or by S.A.W. will not be countenanced. By the same token, the Board and SAW agree and understand that the bargaining unit members of S.A.W. are professionals and thus should not be expected to be time clock punchers. In adhering to these guidelines, the parties hereto recognize the importance and necessity of having administrators present throughout the student day, which includes student arrival and departure times and other commuting times so designated by the Superintendent or his/her designee. Administrators from each building shall remain “on call” and available by phone during all student commuting times. In addition to the student day, Administrators recognize the importance and necessity of having administrators present throughout the teacher workday including teacher wraparound time. Itinerant administrators and, administrators who work out of Central Office, shall maintain work hours consistent with the responsibilities of their positions, including, but not limited to, regular attendance at meetings held by District administration and the Board of Education that may take place after the conclusion of the student school day.

- ¶54. Neither the Board nor the Superintendent nor any Chief Officer nor any higher echelon bargaining unit member should utilize this procedure to harass a bargaining unit member.

The Board and SAW are attempting a two way street of professionalism and mutual confidence and respect.

¶55. **Section 1(b). Work Year**

- ¶56. The work year for this bargaining unit consists of two separate categories: the twelve-month work year and the ten-month work year. Intertwined with the concept of “work year” is the concept of “vacation” time off and time off for school holidays. Bargaining unit members shall be entitled to take as vacation time the Christmas recess and the Spring recess, as well as additional days within their work year as defined in Article I, Section 6(d), which exceed their prescribed number of working days, as defined in said Section, upon appropriate notice to the Superintendent and subject to the provisions of Section 3 below. All administrators must notify the Superintendent or his/her designee for all absences, including sick days, vacation days, snow days, or partial work days in order to ensure proper school staffing and coverage. In addition, an administrator who takes time off for the above-mentioned reasons is expected to include all time off taken in AESOP so that there is a record of time off taken.

- ¶57. Within the framework of the above guidelines, the work year for the bargaining unit positions is as follows:

POSITION

WORK YEAR

High School Principal
Middle School Building
Principal,
High School Vice Principal,
Middle School Vice Principal

and all 12-month Supervisors,

12 months

¶58. Twelve-month administrators shall work two hundred and twenty four (224) days.

Elementary Vice Principal

10 months

¶59. Ten-month administrators shall work two hundred and eight (208) days.

¶63. **Section 4.** When "summer" Professional Development sessions are planned, the schedule(s) approved by the Superintendent or his/her designee and the Board of Education will not exceed ten (10) days.

¶64. Every effort will be made to publish a final schedule by June 1st. This will not prohibit the scheduling of additional single day Professional Development sessions or common PD days for elementary and secondary administrators/supervisors throughout the calendar year.

ARTICLE VI
PROFESSIONAL DEVELOPMENT

- ¶65. **Section 1.** When an employee's request for permission to attend a workshop, seminar or conference is approved in writing in advance by the Superintendent; or when the Superintendent so requests the employee; the employee's expenses while attending such a workshop, seminar or conference shall be paid by the Board, provided the Superintendent has placed a predetermined and express ceiling on the amount of such expense. Such expenses shall include only the expenses such employee incurs for his/her own meals, lodging and/or transportation and registration fees. If the employee uses his/her own automobile, the rate of reimbursement shall be the I.R.S. rate per mile. If the Superintendent denies the employee's request, the employee may appeal the denial to the Board.
- ¶66. **Section 2(a).** For the purpose of attending regional meetings, conferences, and other professional educational activities, an administrative expense account of \$7,000.00 for High Schools, Middle Schools, and Elementary Schools shall be allotted annually in the school budget and distributed by the Superintendent of Schools. School representatives at such Annual Meetings shall rotate amongst administrators from year to year in order to encourage participation and to provide District leadership opportunities to more administrators.
- ¶67. Each High School shall be represented at the Annual Meeting of the New England Association of Schools and Colleges and others by the Principal or Staff member appointed by him/her to represent the school. The reasonable and necessary expenses incurred by the representative attending the meetings described in this sub-paragraph (a) shall be paid from this budgeted item to the extent of the unexpended balance.
- ¶68. **Section 2(b).** For the purposes of attending regional meetings, conferences, and other professional educational activities, four hundred dollars (\$400.00) shall be allotted annually in the school budget for each Supervisor. Approval for the attendance, and the reimbursement, and/or payment, of the expense shall be obtained from the Superintendent. If monies are available to any Supervisor for these expenses, from state or federal grants or otherwise, then the allotment prescribed herein shall not be required.
- ¶69. **Section 3(a).** Administrators who elect to take, and who successfully complete, graduate (post-college) level courses shall be reimbursed for the tuition cost of such course or courses up to a maximum of three hundred fifty dollars (\$350.00) per course and to a maximum of three (3) courses in any given school year, provided that as to the courses of study in Data Processing and Computer Science reimbursement shall be allowed in the amount of three hundred dollars (\$350.00) per course with a maximum of three (3) courses, and provided further that the administrator has attained, prior to taking the course(s), at least M.A. + 15 credits and provided that the Administrator takes the course in a graduate program or has the prior approval of the Superintendent to take, and receive reimbursement for, a course or courses that were not part of a graduate program. Courses completed after July 1, in any given school year, shall be counted as having been taken the next school

year. Requests for reimbursement shall be made prior to March 1. The reimbursement payment prescribed herein shall be paid not prior to the first week of July immediately subsequent to the date of the successful completion of the said graduate level course.

- ¶70. (b) To qualify for reimbursement, the Superintendent must have approved the accredited institution which offers the course, and must have approved either the specific course or the planned program in which it is taken.

ARTICLE VII ASSIGNMENTS AND TRANSFERS

- ¶71. **Section 1.** As soon as practicable and under normal circumstances, no later than June 1, Administrators shall be notified in writing of any changes in their programs or schedules for the next succeeding school year, including the schools and/or programs to which they will be assigned, and any special or unusual assignment that they will have. In the event of a change in circumstances or conditions during the period from June 2 to the opening of school, the Board may change assignments as required with written notice to the affected Administrator(s).

- ¶72. (a) An Administrator's involuntary lateral transfer or special assignment shall be made on the basis of qualifications and the best interests of the school system. Before any involuntary lateral transfer or special assignment is implemented, the Superintendent shall meet with the affected administrator (with S.A.W. representation, if requested) to discuss the matter. Upon request of the affected administrator, the reasons for implementation of any involuntary lateral transfer or special assignment shall be provided in writing.

- ¶73. (b) An Administrator who for the subsequent school year desires a change in program assignment and/or school assignments may file a letter of request for a voluntary lateral transfer.

- ¶74. (c) Letters of request for lateral voluntary transfer shall be reviewed by the Screening/Interview Committee. The decision of the Committee shall be subject to ratification by the Board.

- ¶75. (d) Decisions regarding transfers shall be final, and shall not be subject to the grievance procedure.

- ¶76. **Section 2.** Any Administrator required to work in a higher classification for more than five (5) consecutive days or ten (10) cumulative days during a work year shall be paid at the base rate of the position to which the administrator is assigned in the higher classification or if the base rate of the assigned position is less than the administrator's current rate, the administrator shall be paid at the salary rate of the position to which the administrator is assigned that is immediately higher than the administrator's current rate, for the duration of such assignment. For purposes of this provision, any special assignment shall be not less than one classification higher than the employee's classification prior to the special assignment.

Procedures For Filling Vacancies and Newly Created Positions

- ¶77. **Section 3.** For the purposes of this contract, a vacancy or opening occurs upon notification to the Board of the creation of a new position, retirement, resignation, death, promotion or termination of a person holding a bargaining unit position. Appointments to a temporary or acting position will not create a vacancy.
- ¶78. Examples of such notification are, but not limited to:
- Death - the actual date of death
 - Resignation - the date the resignation is accepted by the Board
 - Termination - the date the Board votes to terminate
 - Retirement - the date a retirement becomes irrevocable
 - Transfer - the date the Board approves the transfer
- ¶79. When a new position is created or when it is known that an existing position will become open, the Board within thirty (30) days will determine whether or not to fill the position. Once a determination is made to fill the position, the posting of the opening will occur within ten (10) days.
- ¶80. **Section 4.** Upon the occurrence of a vacancy, the creation of a new position, or the Board's acceptance of a resignation, the Superintendent of Schools shall, notify the administrators by posting the opening within thirty (30) days and any eligible candidate for movement to such position by lateral transfer shall file his/her request for such transfer with the Superintendent's Office not later than five (5) school days after the date of the Superintendent's posting.
- ¶81. (a) While the Board is in the process of filling the position, it shall be filled by a temporary or acting appointment. Under normal conditions (i.e. retirement, etc.), it is the intent to have someone appointed to the position as soon as possible with the appointment to become effective at the time the position actually becomes vacant. No acting appointment shall exceed twelve (12) months. In cases involving vacancies, no acting or temporary appointment or special assignment shall exceed six (6) months, unless mutually agreed to by the Union and the Board Administrators in temporary or acting appointments shall receive credit for the duration of said appointments for the purpose of administrator seniority and step movement.
- ¶82. **Section 5.**
- ¶83. (a) Decisions regarding the requisite qualifications for any vacancy shall be made by the Department of Human Capital (or any successor office within the Waterbury Department of Education) and confirmed by the Superintendent or his/her designee. Decisions regarding the requisite certification shall be made by the Department of Human Capital and confirmed by the Superintendent or his/her designee and shall be in accordance, at a

minimum, with the laws and regulations regarding certification.

- ¶84. (b) The initial screening to determine which applicants are qualified for the vacancy shall be conducted by the Department of Human Capital and confirmed by the Superintendent or his/her designee.
- ¶85. (c) The Director of Human Capital (or any successor position charged with job functions that include determining applicant eligibility for hire and/or promotion) will, after the initial screening of applicants to determine those that possess the qualifications of the position, forward the qualified applicants to a panel of individuals who will conduct interviews and score the candidates accordingly.
- ¶86. (d) The Panel shall consist of a certified building staff representative, an existing building administrator or a supervisor, as applicable to the position being filled and provided that a seat on the panel does not present a conflict of interest, an Assistant Superintendent or Chief Academic Officer and two building administrators from another same level school within the district. The building staff representative and the building administrator shall be selected by the Superintendent or his/her designee.
- ¶87. In addition, the Superintendent or his/her designee, may appoint a parent or parent liaison from the building where the position is vacant, a Board of Education Member and/or a representative from the Department of Human Capital to participate on the interview panel as non-scoring observers.
- ¶88. (e) After completing all interviews, the panel shall submit to the Superintendent a list in alphabetical order of at least three (3) names of the best-qualified candidates. The list of candidates submitted to the Superintendent shall include an eligible internal applicant, if any, for every external applicant on the list up to the first two (2) external applicants. Prior to the submission of the list of candidates to the Superintendent, the credentials of all applicants will be verified.
- ¶89. (f) From said list of candidates, the Superintendent shall conduct interviews and thereafter, submit up to three (3) names to the Board along with his/her recommendation. The Board will make its determination within thirty (30) days of receiving the list from the Superintendent.
- ¶90. (g) At every stage in the process, the criteria for evaluating the applicants, which will be established in writing by the Committee for each position, shall be:
1. The best interests of the educational system;
 2. The qualifications required for the position;
 3. Previous job performance and work record of the applicant;
 4. Previous administrative experience.
- ¶91. (h) Under normal circumstances (i.e. retirement, etc.), bargaining unit positions referred to in this section shall be filled within four (4) months from the closing date for applications.

¶92. (i) All applicants who are current S.A.W. members shall be given reason(s), upon written request, in writing in the event of non-selection for any such vacancies. Decisions by the panel shall be final and shall not be subject to the grievance procedure.

¶93. **Section 6.**

¶94. (a) The successful applicant for an initial position in the bargaining unit will serve a probationary period of twelve (12) months. A successful applicant from the bargaining unit will also serve a probationary period of ten (10) months. In any probationary period, the months of July and August will not be considered as part of the time specified above. If successful candidates are hired from another bargaining unit which provides for compensatory time off, such time shall not be carried into appointment as a school administrator.

¶95. (b) When it is determined that the individual during his/her probationary period is not satisfactorily performing the duties of the new position, he/she will be notified in writing of such. Such notification will specify the areas of weakness and will be issued in such time as to allow a reasonable opportunity for the individual to correct any deficiencies prior to the completion of the probationary period. The primary evaluator during the probationary period will be the individual specified in the Teacher Evaluation Plan.

¶96. (c) Any employee who does not successfully complete the probationary period will, if he/she was in a bargaining unit position prior to appointment to this new position, be placed back in his/her previous position if still open or in another vacant bargaining unit position which is at the same or lower level than the previous position the individual occupied and for which he/she is qualified. If the individual moves into a lower paying position, then for a period of one year he/she will be paid at a rate no lower than the rate he/she received in his/her previous position from which he/she bid. If no position is available, then the individual may exercise his/her rights pursuant to the reduction in force language in the collective bargaining agreement and State Statute.

¶97. **Section 7.**

¶98. (a) This procedure shall apply to all appointments within the bargaining unit..

¶99. **Section 8. Reduction In Force**

¶100. (a) S.A.W. recognizes the Board's right to reduce the number of administrative positions or to lay off bargaining unit personnel.

¶101. (b) For the purpose of the Section, the reduction of the number of administrative positions may result in the involuntary transfer of an administrator to another professional position within this bargaining unit.

¶102. (c) An Administrator shall retain his/her tenure status as defined in the Teacher Tenure Act.

- ¶103. (d) The Board decision and rationale for reduction in force shall be shared with all affected Administrators and with S.A.W.
- ¶104. (e) In the event of the elimination of an administrative position covered by this Agreement, the Administrator holding said position may be transferred by the Board to any other position covered by this Agreement for which the Administrator holds proper certification and qualifications as follows:
- ¶105. 1. Any administrator relieved of his/her duties because of reduction of staff or elimination of position shall be offered an administrative vacancy, if one exists, in his/her classification for which he/she is certified and qualified.
- ¶106. 2. If there is no existing administrative opening in his/her classification, the displaced administrator shall be offered the position of an administrator who has the least seniority in his/her present classification, provided he/she is certified and qualified for the position. Qualifications shall be determined in the discretion of the Superintendent of Schools, which discretion shall not be unreasonably exercised.
- ¶107. 3. If there is no existing administrative vacancy in his/her classification and the displaced administrator has the least seniority in his/her present classification, he/she will be offered an administrative vacancy, if one exists, firstly, in the next highest administrative classification below that occupied by the displaced administrator and, secondly, in any other lower classification, for which the displaced administrator is certified and qualified. Qualifications shall be determined in the discretion of the Superintendent of Schools, which discretion shall not be unreasonably exercised.
- ¶108. 4. If there are no existing administrative vacancies in any administrative classification, and the displaced administrator has the least seniority in his/her present classification, but has administrator seniority over an administrator in another classification for which the displaced administrator is certified and qualified, the displaced administrator will be offered such position, firstly of the administrator occupying the highest classification below that which the displaced administrator occupied and, secondly, any other position occupied by the least senior administrator in any other lower classification.

¶111. 6. The Superintendent of Schools shall determine whether an administrator is qualified under this Article to displace another administrator within the bargaining unit, provided that the Superintendent's decision shall be reasonable. Decisions resulting in termination from the school system are not subject to the grievance procedure, but shall be appealable through Section 10-151 C.G.S. (the so-called Teacher Dismissal Act). Decisions resulting in displacement within the school system shall be subject to the grievance procedure.

¶112. 7. In the event an administrator is displaced to an administrative classification with a salary schedule lower than that which the displaced administrator would have enjoyed, such administrator's salary shall not be reduced more than one thousand (\$1,000.00) dollars per year until the appropriate level on such salary schedule for the new position is reached, or for three (3) years, whichever first shall occur.

¶113. 8. Paragraph 7 above shall also be applicable to administrators who may be involuntarily transferred, or who may have had their position modified, as part of a reorganization of position(s) or otherwise, provided said changes are not the result of disciplinary action or unsatisfactory performance relative to such administrator, which actions shall not be taken without just cause.

¶114. (f) An Administrator whose position has been reduced, and who has not received another administrative position pursuant to the procedure described above, shall be eligible for a position in the teachers' bargaining unit for which he/she is certified and qualified, on the basis of the reduction in force procedure in the teachers' collective bargaining agreement. Such Administrator's salary shall not be reduced by more than one thousand (\$1,000) dollars for the first year of service in said teaching position. ¶116. (h) Recall shall be effectuated utilizing first, certification for position of administrator, second, seniority as an administrator, third, city-wide seniority, and fourth, the date on which the individual administrator signed his/her teaching contract. If all four (4) items are exactly the same, the Board shall determine who is to be recalled. All such administrators so affected by R.I.F. shall retain rights to further administrative vacancies for a period of two (2) years.

- ¶117. (i) Upon his/her return to an administrative position level, he/she shall be placed on the same step of the salary schedule on which he/she was at the time of the layoff, Schedule A, for the position to which he/she returns.

- ¶121. (m) In the case of a tie in the bargaining unit seniority of an administrator, the following shall be used to determine seniority for purposes of this reduction in force procedure: (i) if years of service as a bargaining unit administrator in Waterbury are equal, then the date of the board appointment of the administrator to the administrative bargaining unit shall control; (ii) if there is still a tie, then City-wide service as a teacher and bargaining unit administrator shall be applied; (iii) if there is still a tie, then out-of-district service as an administrator shall be added; (iv) finally, if there is still a tie, then out-of-district teaching service shall be added.

- ¶123. **Section 1.** No later than October 1 of each year, every employee employed by the Board shall continue to receive an individual statement containing the number of his/her unused, accumulated leave days (e.g., sick, personal, etc.).
- ¶124. **Section 2.** Upon the retirement or death of an employee, said employee or his/her estate shall be paid the equivalent of fifty (50) percent of his/her accumulated sick leave (as the term “sick leave” is defined in Section 3 hereof), over and above his/her regular compensation. The maximum amount of sick leave an employee may accumulate for this purpose shall be limited as follows:

- ¶125. a. Employees hired on or before June 30, 1996, may accumulate up to their actual accumulation as of June 30, 1996, or 200 days, whichever is greater, valued at the employee's per diem rate of pay on June 30, 2001, computed by multiplying such employee's annual base salary as of June 30, 2001 by 1/190.
- ¶126. b. Employees hired or rehired on or after July 1, 1996, but not later than June 30, 1999, may accumulate up to 150 days, valued at the employee's per diem rate of pay on June 30, 2001, computed by multiplying such employee's annual base salary as of June 30, 2001 by 1/(the number of days said administrator is required to work, by contract, in his/her final year of employment).
- ¶127. c. Employees hired or rehired on or after July 1, 1999, shall be ineligible to receive any payout of sick leave, except as provided in Section 2(d) below.
- ¶128. d. Such employee's sick leave accrual shall be subject to the same limitations and calculations applicable to employees described in Section 2(b) above, except that his/her accrual for payout purposes, when combined with any days accrued as a member of the bargaining unit, cannot exceed 180 days. For purposes of computing the value of accumulated sick days under the formula prescribed in Section 2(b) above, such employee's annual base salary as of June 30, 2001 shall be the salary applicable to the position and corresponding step into which he/she was hired into the bargaining unit, as of June 30, 2001.
- ¶129. For the purpose of this Section, the phrase "retirement" shall mean the retirement of the employee pursuant to the City of Waterbury Retirement System and/or the State of Connecticut State Teachers' Retirement System, but shall not include any employee terminated because of insubordination, moral misconduct, or other intentional wrongdoing.

Notwithstanding any provision to the contrary, any administrator entitled to receive a payment for accumulated sick leave shall receive such payment beginning August 1 immediately after their retirement, if and only if, the administrator provides written notice of his/her intent to retire in September of the school year during which he/she intends to retire. If the administrator fails to provide such notice prior to the end of September, he/she shall become eligible to receive payment for accumulated sick leave to which he/she is entitled commencing with the thirteenth month following his/her written notice to retire.
- ¶131. The Administrator will receive his/her accumulated sick leave in three (3) equal annual installments provided that no such payment is less than \$10,000 per year, or in annual payments of \$10,000 until completely paid. The City reserves the right, in its discretion, to accelerate payment.
- ¶132. **Section 3.** For the purpose of Division A of this Article, sick leave is defined as follows:

Sick leave under subsection (c) above shall be subject to an absolute maximum of five (5) sick days in any work year. Sick leave shall be granted without loss of the employee's normal pay (for the workday or portion thereof involved), to the extent of the employee's sick leave eligibility as hereinafter prescribed. The sick leave eligibility shall be fifteen (15) working days for each work year.

¶133. **Section 4.** In the event of absence of an administrator for illness in excess of three (3) consecutive working days or a pattern of days absence occurs, the Superintendent may, if he/she has reasonable cause to believe there is an abuse of sick leave policy, require an examination by a mutually agreed physician, providing such examination is at the Board's expense.

¶134. **Section 5.** Whenever an administrator has exhausted his/her sick leave, or whenever special or unusual conditions exist, he/she may request the Superintendent for an extension of unpaid sick leave, which may be granted by the Board which shall review all such applications. In determining whether such request should be granted, the Board will consider all factors, such as, but not limited to, length of service and previous sick leave. The provisions of this Section shall not be subject to the grievance or arbitration provisions of this Agreement.

¶135. **Section 6.** Any member of the City of Waterbury administrative or teaching staff shall be permitted to contribute days from his/her sick leave accumulation to administrators who suffer prolonged illness and whose paid leave accumulation has been exhausted (including sick, personal, and vacation leave). A "Sign-Up" sheet shall be provided in the Superintendent's Office for the purpose of donating day(s) to the affected administrator. Individuals may donate up to twenty (20) days per academic year. Upon the Administrator's return to the Waterbury School System from sabbatical leave, he/she shall receive the same salary, as per the terms of this Agreement, as though he/she had not been on such sabbatical leave. In the event that the failure of the Administrator to complete two (2) full school years of service upon return from sabbatical leave is due to the Administrator's permanent total disability or his/her death, then his/her estate shall not be liable for the prorated liquidated damages hereinafter prescribed. If, upon the Administrator's return to the Waterbury School System, he/she does not complete

ARTICLE XIV GRIEVANCE PROCEDURE

¶201. **Section 1. Definitions.**

¶202. A. A grievance is hereby defined as follows:

- ¶203. 1. A claim by either an employee or a group of employees, S.A.W., or the Board that there has been an alleged violation, misinterpretation, or misapplication of a specific provision or group of provisions of this Agreement, or condition affecting the employee's health and safety, or that there has been a failure to follow the established procedures of the school district's evaluation and support program.
- ¶204. 2. An employee complaint or a complaint by S.A.W. concerning disciplinary action inflicted upon an employee shall be processed in accordance with the provisions of this Article.
- ¶205. B. Whenever the term "days" is used in this Article, such term shall mean regularly scheduled school days.
- ¶206. **Section 2.** All grievances shall be processed in the following manner:
- ¶207. **A. Employee Grievances**
- ¶208. Stage 1. (Informal)
- ¶209. The employee and a S.A.W. representative (if the employee so desires) shall discuss the grievance informally with the school official serving as the employee's immediate administrative superior, While the aforementioned discussion is mandatory, it shall have no effect on the running of the time limit of thirty (30) school days set forth in Stage 2, Level 1, below within which a written grievance must be submitted to the employee's immediate administrative superior. Therefore, in the event it becomes apparent to the employee that the aforementioned discussion will not be held or completed within said thirty (30) day period, it is incumbent upon the employee to submit the written grievance to his/her immediate administrative superior in accordance with the provision of Stage 2, Level 1, below.
- ¶210. Stage 2. (Formal)
- ¶211. **Level 1.** In the event a grievance is not satisfactorily resolved as a result of the informal discussion held pursuant to Stage 1 above, the employee shall reduce the grievance to writing, setting forth a statement as to the grounds for the grievance and the Article and Section of this Agreement alleged to have been violated, and shall within thirty (30) school days after the occurrence giving rise to the grievance, submit the written grievance to his/her immediate administrative superior. The immediate administrative superior may request another meeting to discuss the grievance with the employee and a S.A.W. representative which they must attend, but in any event must answer the grievance in writing with copies to the employee and S.A.W. within seven (7) school days following receipt of the written grievance.
- ¶212. **Level 2.** In the event the grievance is not satisfactorily resolved as a result of the submission required by Level 1 above, the employee, by himself/herself or through S.A.W., may appeal the decision rendered on the grievance by his/her immediate administrative supervisor to the Superintendent, or his/her designee, provided said appeal is received by the Superintendent, or his/her designee, within seven (7) days following the

date upon which the employee's immediate administrative superior answered the grievance. Within seven (7) school days following timely receipt of an appeal filed pursuant to this Level 2, the Superintendent, or his/her designee, and/or his/her representative shall meet with the employee and a S.A.W. representative for the purpose of hearing the appeal and shall within (7) school days following the date upon which said meeting is held, render his/her decision in writing, sending copies to the employee and S.A.W.

¶213. **Level 3.** In the event the grievance is not satisfactorily resolved as a result of the decision rendered by the Superintendent in Level 2 above, the employee, by himself/herself or through the Unit, may appeal said decision to the Board, provided said appeal shall be filed with the Clerk of the Board in writing, setting forth the basis for the appeal, within seven (7) school days following the receipt of the Superintendent's decision. Within sixteen (16) school days after receipt of a timely appeal made pursuant to this Level 3, the Board shall cause a hearing to be held with the employee and S.A.W. with respect to said appeal and shall, within seven (7) school days following a hearing, render a decision in writing with copies to the employee and S.A.W.

¶214. **Level 4.** In the event the grievance is not resolved as a result of the procedures of Level 3 above, S.A.W. may submit the grievance to the American Arbitration Association (the "AAA") or the Alternative Dispute Resolution Center (the "ADRC") in writing for binding arbitration in accordance with the rules and regulations of each particular forum no later than seven (7) school days following the receipt of the Board's decision pursuant to Level 3 above or the expiration of the time limits for making such a decision, whichever shall occur first. Copies of the submission to the AAA or ADRC must be sent to the Superintendent and Board. Fees and expenses of the Arbitrator shall be borne equally (1/2 each) by the Board and by S.A.W.

¶215. **B. S.A.W. Grievances**

¶216. S.A.W. may file grievances at Level 2 set forth above, provided each grievance must be in writing and sent to the non-grieving party no later than thirty (30) school days following the occurrence giving rise to the grievance.

¶217. **Section 3.** The preparation and processing of grievances shall be conducted after hours of employment. All reasonable efforts will be made to avoid involvement of students in any phase of the grievance procedure.

¶218. **Section 4.** S.A.W. will receive prior notice of the time and place of any formal meetings held hereunder.

¶219. **Section 5.** Nothing in this Agreement shall be construed as compelling S.A.W. to submit a grievance to arbitration.

¶220. **Section 6.** The procedure hereby established in this Article shall be the sole remedy for grievances under this Agreement.

- ¶221. **Section 7.** All grievances shall include the name and position of the grievant, the identity of the provision of this Agreement involved in the said grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing the said events or conditions, if known, and a general statement of the nature of the grievance and the redress sought by the aggrieved party.
- ¶222. **Section 8.** The Arbitrator shall hear and decide only one grievance in each case. He/She shall be bound by, and must comply with, all the terms of this Agreement. He/She shall have no powers to add to, delete from, or modify in any way, any of the provisions of this Agreement. The decision of the Arbitrator shall be final and binding upon both parties and all employees, except that neither the Arbitrator nor his/her award shall usurp the statutory authority of the Board.
- ¶223. **Section 9. Meetings**
- ¶224. A. Meetings held under this procedure shall generally be conducted on non-school time at a place which will afford a fair and reasonable opportunity for all persons proper to be present. Persons proper to be present for the purpose of this Article are defined as the aggrieved person, the appropriate S.A.W. and Board representatives, and witnesses. S.A.W. and Board counsel shall be permitted at Level 3 and 4. If at the option of the Superintendent or the Board, hearings are held during school hours, persons proper to be present shall be excused without pay loss.
- ¶225. B. The S.A.W. unit may, if it so desires, call upon the professional services of an affiliate unit or other resource services for consultation and assistance at any stage of the procedure.
- ¶226. C. When, pursuant to the Grievance Procedure prescribed by this Article, S.A.W. considers that it is necessary to investigate an alleged grievance during school hours, then, with the permission of the Superintendent (which permission shall not be unreasonably or arbitrarily withheld) a representative of S.A.W. designated by the Executive Committee of S.A.W. shall be released for one (1) school day without loss of pay, to investigate the alleged grievance.
- ¶227. **Section 10.** Copies of any grievances, or answers thereto, shall be sent to the grievant, S.A.W. and the Board.
- ¶228. **Section 11.** In the event a grievance is filed between June 1 and the end of the school year, the time limits of the Grievance Procedure shall be accelerated so that the grievance shall be processed through Level 3 by August 15. If such expedited procedure is not possible, the parties shall waive the time limits herein and establish new time limits for processing of each such grievance and such agreement shall be reduced to writing and signed by the parties so that there will be a resolution of such grievances through Level 3 by the succeeding Labor Day.
- ¶229. **Section 12.** In the event that any grievance is adjusted in Stage 1 of this Grievance

procedure while such adjustment shall be binding upon the aggrieved party, and shall, in all respects be final, said adjustments shall not create a precedent or ruling binding upon either of the parties to this Agreement in future proceedings.

- ¶230. **Section 13.** Neither the Board nor S.A.W. shall discriminate against or otherwise coerce any employee or individual who is involved in the processing, or the refusal to process a grievance hereunder, provided that S.A.W. shall not be required to process a grievance for any employee or represent him/her during the processing of his/her own grievance.
- ¶231. **Section 14.** The aggrieved Administrator may be represented at Levels 2 and 3 of the formal grievance procedure by a person of his/her own choosing, except that he/she may not be represented by a representative, or by an officer, of any Administrator organization other than S.A.W. When an Administrator is not represented by S.A.W., S.A.W. shall have the right to be present and to state its views at all stages of the Grievance Procedure.
- ¶232. **Section 15.** Present grievance forms shall be continued in use. Forms for filing and processing grievances and other necessary documents shall be prepared by the Superintendent with the approval of S.A.W. and made available through S.A.W. so as to facilitate operation of the Grievance Procedure.
- ¶233. **Section 16.** Any grievance not filed or processed by the grieving party in accordance with the time periods set forth above shall be deemed to be resolved and shall not be subject to further processing or to arbitration. If the Board fails to respond to a grievance in a timely fashion, the grievance shall be deemed to be denied at that particular step and the grieving party may proceed to the next step in accordance with its provisions. Prior to the expiration of any time period, the parties may mutually agree, in writing, to extend the time period.

ARTICLE XVIII CURRICULUM

- ¶286. **Section 1.** Each curriculum committee appointed by the Superintendent or his/her designee shall include a Principal or Assistant Principal and a Supervisor.
- ¶287. **Section 2.** Any proposed changes in duties of personnel, curriculum, instructional materials, or innovations pertinent to the introduction of special programs, shall be discussed with the Principals and Supervisors by the Superintendent of Schools.
- ¶288. **Section 3.** Any curriculum changes which may result in the addition to or deletion of present programs shall be discussed by the Superintendent of Schools with the appropriate Principals, and Supervisors.

ARTICLE XIX ADMINISTRATOR'S RIGHTS - PERSONNEL FILE

- ¶289. **Section 1.** No allegation by a school official or fellow employee alleging materials, derogatory or otherwise, to an Administrator's conduct, scruples, character or personality shall be placed in the Administrator's file unless the Administrator has had an opportunity to read such material. The Administrator shall acknowledge that he/she had an opportunity to read the material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its content.
- ¶290. **Section 2.** Any complaint by a parent of a student, or by any other person (other than a school official or fellow employee), directed against an Administrator (which complaint is deemed serious enough by the Administration to become a matter of formal record) shall be promptly called to the Administrator's attention. No such complaint shall become a matter of formal record unless it is in written form, signed by the complainant. Administrators are entitled to know the identity or source of all such formal record complaints and in addition, if the Administrator so requests, he/she may copy such formal record complaint. The Administrator shall acknowledge that he/she has read such complaint by affixing his/her signature on a copy thereof which is made a matter of formal

record with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its contents. The complained against Administrator shall have the opportunity to add any material he/she wishes (by way of reply or refutation) to the formal record. If the complaint (alleging noncriminal conduct) becomes a matter of formal record and if the Administrator so requests, the Board shall conduct a hearing on same; and, if the Administrator is exonerated, the complaint shall be erased from his/her file. The complained against Administrator shall have every right to S.A.W. representation, if he/she so chooses, and/or counsel of his/her choice.

ARTICLE XX PARKING FACILITIES

- ¶291. The Board and the Superintendent shall attempt to make suitable reserved parking areas available to Administrators on or near the school property where they are assigned.

ARTICLE XXI S.A.W. PRIVILEGES

- ¶292. **Section 1.** After the close of school on school days, S.A.W. shall have the right to use designated areas in school buildings for meetings of Administrators, provided that there is no interference with any scheduled school activities. The use of such designated areas shall be arranged with the Principal in advance. All requests for building use shall conform to Board rules and regulations.
- ¶293. **Section 2.** S.A.W. may distribute material dealing with meetings, notices and official matters of S.A.W. to persons covered by this Agreement. Indiscriminate circulating of material or handing out of material will not be allowed.
- ¶294. **Section 3.** The Board and S.A.W. shall comply with any reasonable request by the other party for available information (excluding confidential personal records) possessed by the other party which is relevant to the negotiation by S.A.W. and the Board of a successor agreement.
- ¶295. **Section 4.** The Board shall also provide S.A.W. with a copy of the official minutes of public Board meetings at the time that the Clerk of the Board distributes these minutes to Board members.
- ¶296. **Section 5.** The practice of allowing a reasonable amount of time off with pay to Executive Committee members of S.A.W. to attend S.A.W. business shall be allowed.
- ¶297. **Section 6.** The President of S.A.W. or his/her designated representative for the Executive Committee shall be permitted to visit the schools and/or departments in connection with S.A.W. business referred to in Section 5 if the President, or said designated representative, asserts that S.A.W. business requires such a visit. Upon the President's (or said

representative's) arrival, he/she shall notify the proper Administrator of his/her presence. If a meeting with a Board employee(s) is necessary, it shall be scheduled so as not to disrupt the employee(s) duty assignment.

¶300. The following Revised Salary Schedule for the 2021-22 school year shall hereafter replace the salary schedule in place for the 2020-21 school year. On June 30, 2021, all administrators shall migrate onto the Revised Salary Schedule at the appropriate lane for their current position, and shall be placed on the step closest to the administrator's 2020-21 salary, inclusive of any degree stipend earned in 2020-21. A salary adjustment shall be made in 2021-22 only for any administrator who, as a result of the migration described herein, would not earn a minimum of 1.5% more in salary during the 2021-22 school year than s/he earned in 2020-21 school year, inclusive of any degree stipend earned in 2020-21, except that an administrator who becomes eligible for a stipend pursuant to Article IV, Section 2, shall not be eligible for any salary adjustment.
