Construction Information

- Wendell Cross has been approved for a School Construction project which will transform it from a Pre-K-5 schools to a Pre-K-8 school with 3 classes per grade.
- The project will include state of the art learning spaces, gym, cafeteria, science rooms, art and music rooms and technology.
- Building design will exceed all applicable state building and energy efficiency standards.
- Demolition of the existing structure is expected to begin in the fall of 2019 with construction following in the spring of 2020. The projected completion and occupancy is slated for the beginning of the 2021-22 School year.

Wendell Cross may have changed its physical location, but Wildcat spirit continues!
