

Electrical Appliance Usage

Electrical appliances, including but not limited to microwaves, toasters, toaster ovens, or coffee pots will **not** be allowed in classrooms, offices, or other school facilities with the exceptions of the cafeteria, teacher's lounge, and nurse's office, or those areas needed to service pre-k or medically fragile students. Small portable fans, in proper working condition, will be allowed at the discretion of the Superintendent. This policy does not apply to equipment needed for educational or academic purposes or for small refrigerators.
