

Recommit and Reimagine Waterbury Public Schools

Mission: Inspire and prepare every student to be successful in and beyond school.

Vision: All Waterbury Public Schools students will graduate ready to transform their world.

Recommit

As we strive to achieve the WPS mission to inspire each and every student to be successful in and beyond school, we need to recommit to the goals and strategies in the strategic plan initially created in 2020 pre-pandemic.

Reimagine

While we recommit to the goals and effective strategies that support our mission, the current reality compels us to reimagine what schooling in Waterbury can and should look like. As we seek transformational change in our school system, and take lessons learned from both the distant and recent past, we want to reimagine education in Waterbury!

Comprometido Nuevamente

A medida que nos esforzamos por lograr la misión de WPS de inspirar a todos y cada uno de los estudiantes a tener éxito dentro y fuera de la escuela, debemos volver a comprometernos con las metas y estrategias en el plan estratégico creado inicialmente en 2020 antes de la pandemia.

Reinventar

Si bien volvemos a comprometernos con los objetivos y las estrategias efectivas que respaldan nuestra misión, la realidad actual nos obliga a volver a imaginar cómo puede y debe ser la educación en Waterbury. Mientras buscamos un cambio transformador en nuestro sistema escolar y tomamos lecciones aprendidas tanto del pasado lejano como del reciente, ¡queremos reinventar la educación en Waterbury!
