Ms. Stephanie Carpentieri, Vice Principal

September 4, 2020

Dear Parents/Guardians-

Welcome to the 2020-2021 school year! We hope you and your families are well. The staff at Sprague has been working hard and we can't wait to see our students, whether in person or virtually, on September 8th. We want to share some important information with you.

- School hours for in person and virtual learners are 8:05 am – 12:05 pm. Attendance will be taken for all students. Virtual learners must log in to their google classroom at 8:05 am. In person students will need to bring their devices back and forth to school each day.
- All students will have approximately an hour and a half of distance learning (asynchronous) to complete when home in the afternoon/evening. These lessons will begin on September 14th.
- Specials (art, music, library, physical education) will post weekly assignments in their google classroom for students to complete.
- Teachers will be available each day from 2:00 pm – 2:35 pm for check ins with students and families.
- Unfortunately, visitors will not be allowed in the building at this time. Please call the school if you need to speak with a staff member.
- It is extremely important that your child arrives to school on time to avoid entering through the front door and having to sign in.
- Students will be offered a snack upon arrival each day. At dismissal students will receive a bagged lunch for that day, along with a breakfast for the next morning which should be eaten at home.

Stay safe!

Mrs. Bakewell & Mrs. Carpentieri
