

What is a school-parent compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade level standards.

Let's work together!

Jonathan Reed School agrees to implement the following:

- Our school will jointly develop with parents, distribute to parents of participating children, a School Parent Involvement Policy that the school and parents of the participating children agree on.
- Our school will notify parents about the School Parent Involvement Policy and will distribute this policy to parents in a language that parents can understand.
- Our school will make the School Parent Involvement Policy available to the local community by including the policy in the weekly newsletter, post on school website, and have copies available in the main office.

Activities to Build Partnerships

In order to build community, Reed has designed numerous activities to build community partnerships and parent involvement including:

- Family nights hosted at school
- After school programs
- Before school programs
- Student of the Month
- Morning Mentors

Communication about Student Learning

Our school is committed to regular two-way communication with families about their children's learning. Some of the ways parents and teachers communicate all year are:

- Weekly newsletters
- ParentSquare notifications
- School website
- School instagram account
- Open communication lines between teacher and parents
