

PARENT ENGAGEMENT POLICY

M.M. Generali Elementary School

2019-2020

The M.M. Generali Parent Engagement Policy was written and agreed upon by parents and staff on November 13, 2019 updated yearly.

School will hold an annual meeting for parents and families to explain the Title I program and rights of parents and families involved in the planning, review and improvement.

M.M. Generali will share information regarding the schools goals for the year and for your child. Some of the ways we will let you know what's going on are:

- Open House / Parent Teacher Conferences
- Educational Meetings/Workshops
- Monthly newsletters and calendar of events
- Communication between teachers and parents, personal contact by phone, letter, email, or home visit

Some ways that parents will be encouraged to share ideas and become involved in the school community will be:

- Classroom visitations
- Volunteering
- Workshops for parents and teachers
- Student events: Field trips, Book Exchanges, and other activities.
- Family Nights

Parents will be kept informed about their child's progress in the following ways:

- Progress Reports/ Powerhouse
- Conferencing-school, home, phone, letter, email
- Parent/Teacher conferences
- During open house
- Student of the Month
- Happy numbers (grades K-1),- appropriate assessment information for mathematics
- I-Ready (grades 2-5), - appropriate assessment information for mathematics
- mClass (grades K-5), - appropriate assessment information for reading/language arts

Ways that we will work with parents in providing a link between home, school and community will be:

- Answering questions and providing information on available resources within the community
- Encouraging parents to become more involved in school and in classroom activities and government
- The parent Liaison to coordinate family involvement and activities

- Make available all No Child Left Behind and Title I information
- The school will make every opportunity to provide for parents with limited English or disabilities to participate in programs, workshops, and visits to school

A school parent compact has been developed to help emphasize parent participation. It outlines the importance of:

- Parents making sure children come to school regularly
- Encourage good behavior
- Support your children by checking that homework is completed
- Keep in contact with my child's teacher
